

SCHOOL REPORTER USER STORIES

Project: School Reporter

Version: 1.0

Author: Victor Makhuba

Methodology: Agile Scrum

1. User Access & Onboarding

Feature: School Selection

US-001

As a teacher,

I want to select my school before logging in,

So that I can access the correct school's information.

Acceptance Criteria

- School list is displayed.
- Teacher can search for a school.
- Teacher selects one school.
- The login page opens after selection.

Feature: Teacher Login

US-002

As a teacher,

I want to log into the system securely,

So that I can access learner information.

Acceptance Criteria

- Username is required.
- Password is required.
- Invalid credentials display an error.
- Successful login opens the dashboard.

Feature: Password Reset

US-003

As a teacher,

I want to reset my password,

So that I can regain access if I forget it.

Acceptance Criteria

- Email verification is required.
- Password meets security requirements.
- Confirmation message is displayed.

2. Learner & Class Management

Feature: Learner Management

US-004

As a teacher,

I want to add and update learner information,

So that learner records remain accurate.

Acceptance Criteria

- Teacher can add learners.
- Teacher can edit learner information.
- Validation is performed before saving.
- Changes are saved successfully.

Feature: Class Management

US-005

As a teacher,

I want to manage my classes,

So that learners are organised correctly.

Acceptance Criteria

- Teacher can create classes.
- Teacher can assign learners.
- Teacher can edit class information.

3. Attendance Management

Feature: Capture Attendance

US-006

As a teacher,

I want to record daily attendance,

So that learner attendance is tracked.

Acceptance Criteria

- Present
- Absent
- Late
- Attendance saved successfully.

Feature: Attendance History

US-007

As a teacher,

I want to view previous attendance,

So that I can monitor learner attendance trends.

Acceptance Criteria

- Search by learner.
- Filter by date.
- Attendance history displayed.

4. Homework Management

Feature: Assign Homework

US-008

As a teacher,

I want to assign homework,

So that learners receive their daily tasks.

Acceptance Criteria

- Enter homework details.
- Select class.
- Set due date.
- Save homework.

Feature: Homework History

US-009

As a teacher,

I want to view previous homework,

So that I can manage assignments.

Acceptance Criteria

- Search homework.
- Filter by class.
- Display assignment history.

5. Behaviour Management

Feature: Record Behaviour

US-010

As a teacher,

I want to record learner behaviour,

So that behaviour incidents are documented.

Acceptance Criteria

- Behaviour type selected.
- Notes entered.
- Behaviour record saved.

Feature: Behaviour History

US-011

As a teacher,

I want to view previous behaviour records,

So that I can monitor learner conduct.

Acceptance Criteria

- Filter by learner.
- Filter by date.
- Behaviour history displayed.

6. Parent Communication

Feature: Parent Notifications

US-012

As a teacher,

I want to send notifications,

So that parents remain informed.

Acceptance Criteria

- Notification created.
- Parent receives notification.
- Delivery confirmed.

Feature: School Announcements

US-013

As a teacher,

I want to publish announcements,

So that parents receive important school updates.

Acceptance Criteria

- Announcement created.
- Target audience selected.
- Announcement published.

7. Reporting & Analytics

Feature: Attendance Reports

US-014

As a school administrator,

I want attendance reports,

So that attendance trends can be analysed.

Acceptance Criteria

- Report generated.
- Export available.
- Filters available.

Feature: Behaviour Reports

US-015

As a school administrator,

I want behaviour reports,

So that learner behaviour trends can be monitored.

Acceptance Criteria

- Report generated.
- Export available.
- Summary statistics displayed.

8. School Administration

Feature: User Management

US-016

As a school administrator,

I want to manage user accounts,

So that authorised users can access the system.

Acceptance Criteria

- Add user.
- Edit user.
- Disable user.
- Assign roles.

Feature: School Settings

US-017

As a school administrator,

I want to configure school settings,

So that the system reflects school requirements.

Acceptance Criteria

- Update school details.
- Save settings.
- Changes applied immediately.

9. Security & Compliance

Feature: POPIA Compliance

US-018

As a school administrator,

I want learner information protected,

So that the school complies with POPIA.

Acceptance Criteria

- Secure authentication.
- Encrypted data storage.
- Access control enforced.

Feature: Audit Logs

US-019

As a school administrator,

I want system activities recorded,

So that changes can be traced.

Acceptance Criteria

- User actions logged.
- Date and time recorded.
- Audit history searchable.
